Every two years, the Women's Club of Madison selects a project designed to have a positive impact on the lives of the Madison community. The Club raises money through Fundraisers funding that project.

Below are some of the projects and the years they were chosen:

- 1974: Uniforms and warm-up suits for the GAA (girls' sports team at the high school)
- 1976: Cable installation for Madison Town and Education Channels.
- 1980: Jaws of Life for Madison Fire Department
- 1982: Contributed money for uniforms for the Danial Hand Band Members
- 1990: "Safety in Numbers" Recommendation that all homes and buildings be numbered (later became a town ordinance)
- 1996: Framing of historical prints of Madison for display in Memorial Town Hall.
- 2000: Thermal Imaging Camera for Fire Department Madison Hose Co. #1
- 2002: Defibrillators for Madison Police Department plus beach wheelchairs for Madison Town Beaches
- 2004: Heating system for Meigs Point Nature Center
- 2006: Golf cart for Daniel Hand High School for transporting injured students
- 2008: Established a computer/study center at the Madison Arts Barn
- 2010: Furnished a Library room in the new Madison Senior Center \$5,000
- 2012: Furnished a room at the new Madison Ambulance Center \$5,000
- 2014: Donated \$5,015.00 to Madison Conservation Trust for building walkways on the Shoreline Trail. Also donated \$1,300.00 to Shoreline Greenway Trail
